

Anchor Institute of Solar Energy (AISE)
 (Established & Fully Supported By CED, Government of Gujarat),
Gujarat Power Engineering & Research Institute (GPRI), Mehsana

Training Calendar Oct 2018 to Jan 2019

Dates	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31		
October	Solar PV Installation, Design, commissioning, testing, maintenance, Policies						Solar Thermal - Domestic & Industrial Systems														Solar Concentrated Solar Power Systems					Solar PV Installation, Design, commissioning, testing, maintenance, Policies							
November																		Solar Thermal - Domestic & Industrial Systems					Solar Concentrated Solar Power Systems										
December	Solar PV Installation, Design, commissioning, testing, maintenance, Policies						Solar Thermal - Domestic & Industrial Systems						Solar Concentrated Solar Power Systems																				
January	Solar PV Installation, Design, commissioning, testing, maintenance, Policies															Solar Thermal - Domestic & Industrial Systems					Solar Concentrated Solar Power Systems												

Note 1: This is train the trainer / faculty development program & minimum number of participants required to run the training program is 10.

Note 2: Each program duration will be 6 days including 1 day solar plant site visit.

Note 3: Participants should be trainer in solar PV/thermal/energy/power etc industries or faculties in Engineering college, polytechnic, ITI, any training institute or equivalent institutions.
